

Willy Wonka and the Juul Factory.

A teenage Charlie Bucket stands onstage, high out of his mind.

CHARLIE BUCKET

Sup fellow millennials, it's me: Charlie Bucket. Just like you, I had a dream as a child, as I was looking up at the fat clouds ripped by God himself, I thought: What could a boy want more than to one day be the CEO of a company. And what do you frikkin know, bro, I made it. You may remember the classic chocolate brand pio-frikkin-neer'd by my boy William Wonks? He had wild flavors and radical new candy coming out every single week. And to stand in his frikkin footsteps is an honor.

I stand before you today humbly to announce my new line of products: Charl-E-Cigs.

He pulls down a curtain to reveal a sign that says "Charl-E-Cigs"

We've got Ever-lasting Heart Stoppers, Floating to the Top Pods, Full Course Meal Pods, Turn-your-hair-Teal-Pods, Ice Pods, Anti-Lice Pods, Vapes you can chew! Vape a cold brew, Vape anything that you want to! We've got vapes you can put in your ear,

Willy Wonka, Very Old, comes on stage very dramatically.

WILLIAM WONKA

Stop this buffoonery!

CHARLIE BUCKET

Willy!

WILLIAM WONKA

I gave you the formal license to run my VISION. You had heart, child. Integrity! What happened?

CHARLIE BUCKET

This is capitalism, Wonky, gotta sell what the people want!

WILLIAM WONKA

Won't this alienate your child demographic?

CHARLIE BUCKET

That's our primary audience.

WILLIAM WONKA

And you expect these... children... to...

CHARLIE BUCKET

Rip phat clouds with their buds.

Nondescript audience member shouts:

AUDIENCE MEMBER

Hell yeah, dude!

WILLIAM WONKA

(To the audience)

You people support this?!

AUDIENCE MEMBER

I think it's a lucrative business model that adheres to my current market preferences.

WILLIAM WONKA

Well that's preposterous!

CHARLIE BUCKET

Now, children of all ages, I got into this office on the shoulders of frikkin giants. Mister double double-you here provided me with a golden ticket ten years ago, giving me the company. And now, I will be also releasing golden tickets.

AUDIENCE MEMBER

You're gonna give away the company?

CHARLIE BUCKET

I'm going to be handing out golden tickets, dude. Don't raise the bar too high.

WILLIAM WONKA

Do you realize how much back-end processing I had to go through to get my golden ticket event permitted? Have you done any of that?

CHARLIE BUCKET

Hey, Dr. Yum, chill your vibe. Take a hit of this.

WILLIAM WONKA

I will not take a hit of your--

*The Juul (flash drive) is inserted into his mouth.
Mhmmhmmh.*

CHARLIE BUCKET

How was that?

WILLIAM WONKA

Wow! It tastes like roast beef!

He takes another hit.

Oh! Chocolate cake and blueberry pie!

CHARLIE BUCKET

Yeah? Isn't it good, willy?

WILLIAM WONKA
Wait.

CHARLIE BUCKET
Yeah?

WILLIAM WONKA
Blueberry?!

Violet Beauregard enters.

VIOLET
Retribution, William.

WILLIAM WONKA
What?

Enter Veruca Salt.

VERUCA
You're a bad nut, Charlie.

Enter Mike Tevee. Wonka is holding his stomach, still taking hits of the vape.

WILLIAM WONKA
I can't stop. It's so good!

MIKE TEEVEE
It's tempting isn't it, Wonka?

Enter Augustus Gloop.

AUGUSTUS
Ja Wohl, William. So Tasty, Ja?

WILLIAM WONKA
No!

CHARLIE BUCKET
This is what you get.

Charlie Bucket is grabbed by Veruca and Mike

AUGUSTUS
This is your fault too, Charlie. You've bewildered us with your power, and taken our opportunity for success!

CHARLIE BUCKET
But, I gave all of you 1% stock in the company!

MIKE TEEVEE
But you didn't give us any stock in your HEART!

VIOLET

I deserved to be at the top!

VERUCA

Violet, you're valedictorian. My father CUT ME OFF!

WILLIAM WONKA

I think I'm going to explode!

He runs off stage.

CHARLIE BUCKET

The plan was to kill him! Retribution!

MIKE TEEVEE

You know what they say.

He twists charlie's arm behind his back, handcuffs him, then Veruca, Violet, Augustus, and Mike get in formation.

AUDIENCE MEMBER

End of sketch.
